

Chris Jackson (aka Jacko)

300 Games with GBWGC

1 December 2020

- Chris's time with GBWGC goes back to the heady days of his life in the ABS in the 1980s or 1990s before a significant career change that eventually took him to greener pastures in the Siberian outback that seasonally turned to thick snow, earning him the affectionate nickname the "Tundra Terror"
- On his many return journeys from unpronounceable places, he knocked out some decent golf considering his gammy knee and lack of familiarity with so much green grass, trees and heat. At the end of the 2012–13 season he had steadily accumulated 86 games and managed 3 Award successes
- Having settled back in Perth, season 2013–14 was the start of regular golf with the club and the accumulation of many Major Awards
- His knowledge of the game; the consistency of his game – particularly his short game; and his conscientious and focused attitude has seen him successful in 16 of the 20 major awards with 28 overall Award successes. Since beginning regular appearances in 2013–14, he has won an Award 25 times. This equates to 1 win every 8.5 games, a rate second only to our other "Mr. Consistent" Graham Little – 1 win every 8.3 games
- He's a multiple winner of the prestigious Club Championship, last season's win being the second lowest score over the last 12 seasons; and of the Masters Jacket award. Chris has had impressive wins in each of the Masters – Mornington Masters 6 in 2017 with the second highest score to-date; and 2 of the 3 Mandurah Masters contested to-date, high jack(son)ing Mandurah Masters 3 after a sensational 47 point first round
- That Steady Eddy swing and determination has seen him take out 2 Consistency Awards, 1 Eclectic, 3 Nearest the Pins and 1 Long Drive Award while the pendulum putter has snared 2 Golden Putter successes
- His other Award successes have been:
 - wins in both Binningup events
 - a two-times Spring Classic winner
 - equal highest wins in the Handicapper's Trophy (4)
 - a win in the Christmas Cup, President's Trophy and the Sea View Championship
- So keen is his love of the game that he took on organizing Winter Golf, his most impressive achievement being his apparent control over the weather

CONGRATULATIONS JACKO
