

**Graeme McLennan** (affectionately Macca the Pace Cracker)

**400 Games with GBWGC**

**29 September 2020**

- This founding club member is only the second to reach the exhausting 400 game milestone
- You couldn't get a keener golfer, but the road to his milestone has been littered with numerous absences from the game due to a plethora of physical and medical issues that mere mortals might not have endured. But he's taken them all in his pace cracking stride. Hard to imagine how many games he might have tallied in more fortunate circumstances
- He has achieved 25 Award successes, including inaugural wins in the Match Play, the President's Trophy, the Consistency Award and the Robin Dalby Sea View Championship
- Of the 21 Awards contested over the years, he has had wins in 15, the elusive ones being:
  - Binningup Open
  - Mornington Masters
  - Mandurah Masters
  - Long Drive;and the two new Awards:
  - Not the Burswood Trophy
  - Melbourne Cup . . .. . . but you never know when he might pop up.
- A one-time Captain of the club; he has been fabricating the finances since 2007 – and the club's still solvent!
- Also renown for an innate ability to fix the fixtures and was the brains behind the latest Major – the running of the Melbourne Cup ;
- A popular and inspirational club member and never short of infectious humor, interesting anecdotes or an encouraging word.
